

**It's not
a rumor.**

It's true.

You heard correct. **Atlantic NeuroSurgical Specialists** (ANS) is the largest private neurosurgical practice in New Jersey. We are proud to offer comprehensive and innovative treatments to patients in **Monmouth and Ocean counties**. And we just don't specialize in stroke. Since 1958, ANS doctors have been pioneers in the treatment of brain, spine and neurovascular surgery.

To learn more about the latest advancements in treatment or to view a listing of all hospitals we are affiliated with in your area, visit us on the web at **www.atlanticneurosurgical.com** or call **732.455.8225**.
