

EXIT 100

33

NEPTUNE

The premiere  
endovascular stroke rescue team  
is now in your community.

## What exit are you?

**We're at exit 100, Route 33, Neptune.**

**Atlantic NeuroSurgical Specialists (ANS)  
of Morristown, New Jersey has now expanded  
to serve Ocean and Monmouth counties  
in our *new* Neptune Office.**

ANS uses ground-breaking mechanical thrombectomy devices such as The Merci Retrieval System® and the Penumbra System™ to treat our patients.

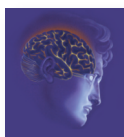

To learn more about the latest advancements in treatment or to view a listing of all hospitals we are affiliated with in your area, visit us on the web at **[www.atlanticneurosurgical.com](http://www.atlanticneurosurgical.com)** or call **973.285.7800**.
